

We Offer a World Of Opportunities!

Enjoy a career working for a well-known industry leader in Pittsburgh, PA!

Did you know that **Pittsburgh** ranks 4th nationally in survey results ranking employee happiness?

The results found that bigger cities aren't always better for recent graduates, when you factor in the differences in salary and cost of living. Smaller metro areas like Pittsburgh are becoming more and more popular.

EMCOR Services Scalise Industries is an industry leader in energy solutions, innovative design, quality execution, exceptional product knowledge, professionalism, and a broad range of service capabilities. Since 1946, these characteristics are the building blocks on which we've built our strong reputation. We provide a full spectrum of integrated operations, preventive maintenance, and repair services, ranging from energy efficient design/build retrofit and renovation projects to 24/7/365 mobile facility services for single and multi-site clients.

About Us:

- > Local management and decision making, with the backing of a Fortune 500® company
- > Over 75 years of industry experience
- > Strong union technician base
- > Hands on design through implementation of projects
